

How to Make the Handbook

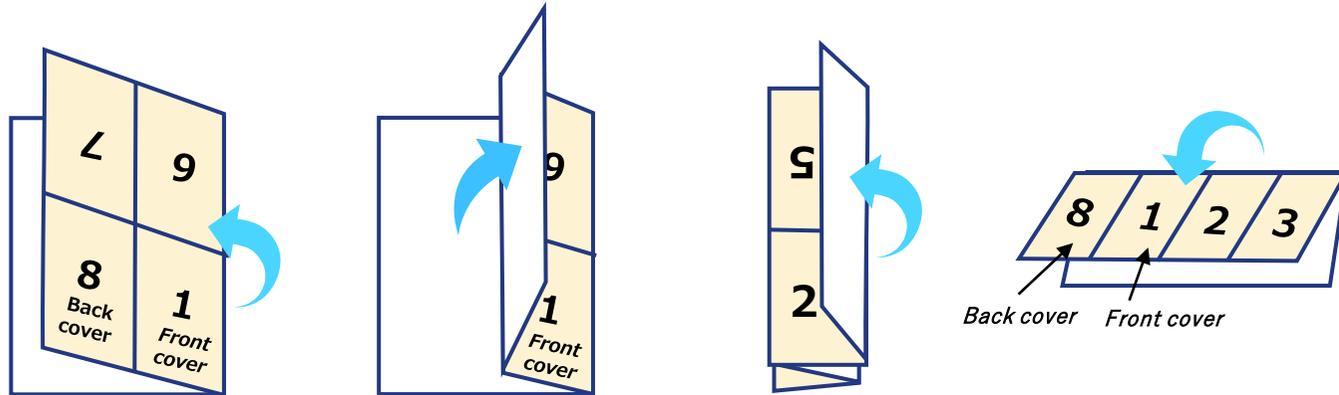

What you need to do is below!

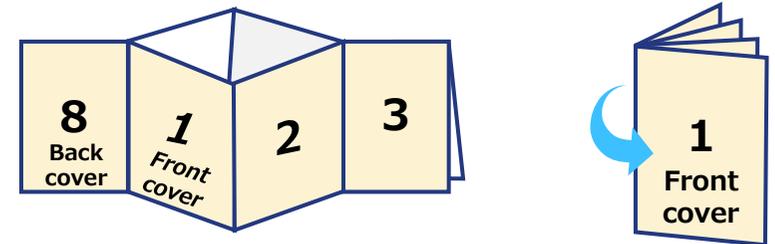

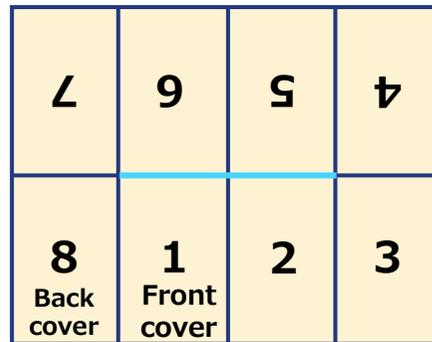

Procedure

This procedure is just an example to make, so you can try it in different ways!

- ① Fold in half in the direction of the arrow.
- ② Fold again in the direction of the arrow.
- ③ Turn it over and repeat on the other side.
- ④ Open it and fold in the direction of the arrow.

- ⑤ Open it again and cut the line of the light blue. It's easy to cut it, following the next step (⑥).
- ⑥ Fold along the mountain lines and the valley lines.
- ⑦ Fold tightly and finished!!
