## ● Story

After losing his memory, *Goro Majima*, a once-feared legend in the yakuza world, sets sail in search of treasure.

Half a year after teaming up with *Kiryu* for a massive battle in the *Millenium Tower*, *Goro Majima* washes up with the wreckage of a boat on the shore of a remote, sparsely populated island. With no memories—not even his own name—*Majima* joins forces with *Noah*, the young islander who saved his life, and embarks on a search for clues to his forgotten past. However, what waits for them is a powder-keg world where scoundrels vie for a legendary treasure.
