Note 1: The requirements for adoption are that: (i) the shareholders holding one third or more of voting rights of the shareholders who are entitled to exercise their voting rights are present at the Meeting, and (ii) a majority of voting rights of such shareholders present at the Meeting approve the proposal.

### 4. Reason why a portion of the number of voting rights of the shareholders present at the Meeting was not included in the calculation

By taking into account the number of voting rights exercised prior to the date of the Meeting and the number of voting rights of a portion of the shareholders present at the Meeting for which intention of approval or disapproval was confirmed, the requirements for adoption of all the matters for resolution were satisfied and the resolutions were legally reached in compliance with the Companies Act. Therefore a portion of the number of voting rights was not included in the calculation.

In calculating the approval rate, (i) the number of voting rights exercised prior to the date of the Meeting and (ii) the number of voting rights of the shareholders present at the Meeting are included in the denominator. The rates are rounded to the nearest hundredth.
